**Please provide a copy of the following:**

- The individuals responsible for tuition payment must submit a copy of their most recent 1040 form form.
- A copy of your loan repayment letter (i.e. Direct Loans or SallieMae) if applicable
- Financial aid award letter from your home institution for the upcoming and/or current academic year(s). Please speak with your home institution’s financial aid office and/or study-away/OCS office about your financial aid, disbursement of funds to NTI, and transfer of credits. NTI will verify the information with your home institution.

**Please Note:** Students and parents/guardians hold all responsibility for applying for and securing funds from home institution (i.e. aid, loans, scholarships, etc); tuition payment funds (i.e. 529, etc), and private loans.

All funds must be disbursed directly to the Eugene O’Neill Theater Center and cannot be processed by or through Connecticut College.

As a non-degree granting institution, NTI is not able to directly receive Title IV funds or meet the criteria for many private educational loans. Most of the time these funds are able to be disbursed by a home institution.

Every school has policies regarding study-away/study abroad programs and how such programs affect the student’s financial aid and tuition payments. To be accurately considered for a scholarship, it is important to clearly indicate how you will be financing the program.

**If you have any questions regarding this questionnaire, please contact: NTI Program Administrator Amanda Ritchie at [ntiprogramadmin@theoneill.org](mailto:ntiprogramadmin@theoneill.org).**
